The Hurtigruten ships have been a permanent feature along the coast of Norway since 1893. The fleet consists of classic ships, ships built in the 1990s and newer ships built after the millennium. We have comfortable ships that are charming and have their own distinctive character.

See hurtigruten.no/konferanse for more details about each ship or request a separate presentation on the ships.

MS TROLLFJORD AND MS MIDNATSOL

These are the newest Hurtigruten ships. The ships are colourful and inspiring. The theme for the décor is sun and heat on MS Midnatsol and winter on MS Trollfjord. Modern and exciting art in many forms can be found on board. Large glass surfaces let in nature and light giving the impression of nature on board. The venue for courses and conferences consists of an auditorium with room for 196 people, plus several smaller meeting rooms.
